

Asger Thormann

Congratulations on your admission to the MSc Programme in Physics (only bachelors from SCIENCE) at the University of Copenhagen!

20-feb-2025

Dear Asger Thormann,

Welcome to your master's programme at the University of Copenhagen.

We are pleased to inform you that you have fulfilled all conditions, and you are now fully admitted to the master's programme starting 1 February 2025.

How we process your personal data

We process your data for study administration purposes. We gather address and name information from the Civil Registration System.

On the University's website, you can find [our privacy policy](#). Here, you can read more about your rights and our rules regarding data processing.

Welcome to the University of Copenhagen!

Kind regards,

Mathilde Corydon Hochheim
